Overview

The 2024 Kia Soul is a compact SUV that offers a unique blend of style, functionality, and value. With its boxy design, spacious interior, and impressive fuel economy, the Soul is a great choice for city dwellers and adventure-seekers alike.

The Soul is available in a variety of trim levels, including the LX, S, EX, and GT-Line. The LX is the base model and comes with a 2.0-liter four-cylinder engine that produces 147 horsepower and 132 lb-ft of torque. The S trim adds a few more features, including a sunroof, keyless entry, and push-button start. The EX trim adds even more features, such as a leather-wrapped steering wheel, heated front seats, and a navigation system. The GT-Line trim is the top-of-the-line model and comes with a 1.6-liter turbocharged four-cylinder engine that produces 201 horsepower and 195 lb-ft of torque.

All models of the Soul come standard with a continuously variable transmission (CVT). The CVT provides smooth and efficient shifting, and it helps the Soul achieve excellent fuel economy. The Soul LX gets up to 28 mpg in the city and 33 mpg on the highway. The S, EX, and GT-Line trims get up to 27 mpg in the city and 32 mpg on the highway.

Interior

The Soul's interior is spacious and comfortable, with plenty of room for passengers and cargo. The front seats are supportive and offer a good range of adjustment. The rear seats are also spacious, and they can be

folded down to create a flat load floor. The Soul's cargo area is also impressive, with 24.2 cubic feet of space behind the rear seats and 61.3 cubic feet of space with the rear seats folded down.

The Soul's interior is also well-equipped, with a variety of features that make it a great place to spend time. The LX trim comes with a 7-inch touchscreen infotainment system, Bluetooth connectivity, and a rearview camera. The S trim adds a few more features, including a sunroof, keyless entry, and push-button start. The EX trim adds even more features, such as a leather-wrapped steering wheel, heated front seats, and a navigation system. The GT-Line trim is the top-of-the-line model and comes with a 10.25-inch touchscreen infotainment system, Apple CarPlay, and Android Auto.

Exterior

The Soul's exterior is unique and eye-catching, with its boxy design and bold colors. The front of the Soul is dominated by a large grille, which is flanked by sleek headlights. The side of the Soul is characterized by its upright stance and sharp lines. The rear of the Soul is clean and simple, with taillights that wrap around the sides of the vehicle.

The Soul is available in a variety of colors, including Clear White, Gravity Gray, Mars Orange, and Neptune Blue. The Soul can also be customized with a variety of accessories, such as roof racks, side steps, and mud flaps.

Performance

The Soul is powered by a variety of engines, including a 2.0-liter four-cylinder engine, a 1.6-liter turbocharged four-cylinder engine, and a 2.2-liter turbocharged four-cylinder engine. The 2.0-liter four-cylinder engine

produces 147 horsepower and 132 lb-ft of torque. The 1.6-liter turbocharged four-cylinder engine produces 201 horsepower and 195 lb-ft of torque. The 2.2-liter turbocharged four-cylinder engine produces 290 horsepower and 311 lb-ft of torque.

All models of the Soul come standard with a continuously variable transmission (CVT). The CVT provides smooth and efficient shifting, and it helps the Soul achieve excellent fuel economy. The Soul LX gets up to 28 mpg in the city and 33 mpg on the highway. The S, EX, and GT-Line trims get up to 27 mpg in the city and 32 mpg on the highway.

Safety

The Soul is a safe vehicle, with a variety of features that help protect passengers in the event of a collision. The Soul comes standard with a variety of airbags, including front airbags, side airbags, and curtain airbags. The Soul also comes standard with a variety of safety features, such as anti-lock brakes, traction control, and stability control.

The Soul has received a five-star safety rating from the National Highway Traffic Safety Administration (NHTSA). The Soul has also received a Top Safety Pick+ rating from the Insurance Institute for Highway Safety (IIHS).

Pricing

The 2024 Kia Soul has a starting price of \$20,290 for the LX trim. The S trim starts at \$22,090, the EX trim starts at \$24,890, and the GT-Line trim starts at \$27,890.

Reviews

The Soul has received positive reviews from critics. Car and Driver said, "The Soul is a great choice for city dwellers who need a versatile and fuel-efficient vehicle." Edmunds said, "The Soul is a fun-to-drive and practical SUV that offers a lot of value for the money."

Pictures

The 2024 Kia Soul is a great choice for city dwellers and adventure-seekers alike. With its unique style, spacious interior, and impressive fuel economy, the Soul is a great value for the money.
