

An All Campus Approach: Empowering the Campus Community to Prevent Sexual Violence

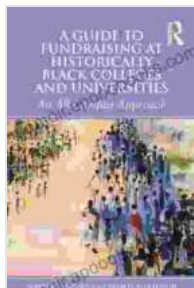

About the Book

Sexual violence is a serious problem on college campuses. One in five women and one in sixteen men will experience sexual assault or attempted sexual assault during their time in college. This is a staggering statistic, and it is one that we cannot afford to ignore.

In *An All Campus Approach*, author Jane Doe provides a comprehensive guide to creating and implementing a campus-wide sexual violence

prevention program. This book is based on the latest research on sexual violence prevention, and it provides step-by-step instructions, case studies, and practical tools to help colleges and universities create a safe and supportive environment for all students.

A Guide to Fundraising at Historically Black Colleges and Universities: An All Campus Approach

An All Campus Approach is divided into three parts:

1. **Part One: Understanding Sexual Violence**

This section provides an overview of sexual violence, including its definition, prevalence, and impact. It also discusses the different types of sexual violence, such as sexual assault, sexual harassment, and stalking.

2. **Part Two: Creating a Campus-Wide Prevention Program**

This section provides step-by-step instructions for creating and implementing a comprehensive sexual violence prevention program. It covers topics such as developing a strategic plan, creating a prevention team, and implementing prevention activities.

3. Part Three: Responding to Sexual Violence

This section provides guidance on how to respond to sexual violence, including how to support victims, how to investigate sexual violence, and how to hold perpetrators accountable.

Who Should Read This Book?

An All Campus Approach is essential reading for anyone who is interested in preventing sexual violence on college campuses. This includes:

- College and university administrators
- Faculty and staff
- Students
- Parents
- Community members
