In this explosive new book, bestselling author David Limbaugh argues that Donald Trump is the only candidate who can defeat Hillary Clinton and save America from her radical agenda.

Limbaugh lays out a detailed plan for Trump's victory, based on his unique insights into Clinton's weaknesses and the American electorate.

Armageddon is a must-read for anyone who wants to understand the 2016 election and the future of America.

Clinton's Weaknesses

Limbaugh argues that Clinton is a deeply flawed candidate with a number of vulnerabilities that Trump can exploit.

- Clinton is seen as untrustworthy and dishonest.

- She is out of touch with the concerns of ordinary Americans.
- She is a career politician who has never held a job outside of government.
- She is closely associated with the Obama administration, which is deeply unpopular.

Trump's Strengths

Limbaugh argues that Trump has a number of strengths that will make him a formidable opponent for Clinton.

- Trump is a successful businessman with a proven track record of success.
- He is a charismatic and effective communicator.
- He is not afraid to speak his mind and challenge the political establishment.
- He has a strong base of support among Republican voters.

The Road to Victory

Limbaugh lays out a detailed plan for Trump to defeat Clinton in the 2016 election.

First, Trump must focus on winning the Republican nomination. He must do this by consolidating his support among Republican voters and winning the majority of delegates in the primary elections.

Once he has won the nomination, Trump must focus on winning the general election. He must do this by expanding his support beyond the

Republican base and appealing to independent and moderate voters.

Trump can win the general election by focusing on the issues that matter most to voters, such as the economy, national security, and immigration.

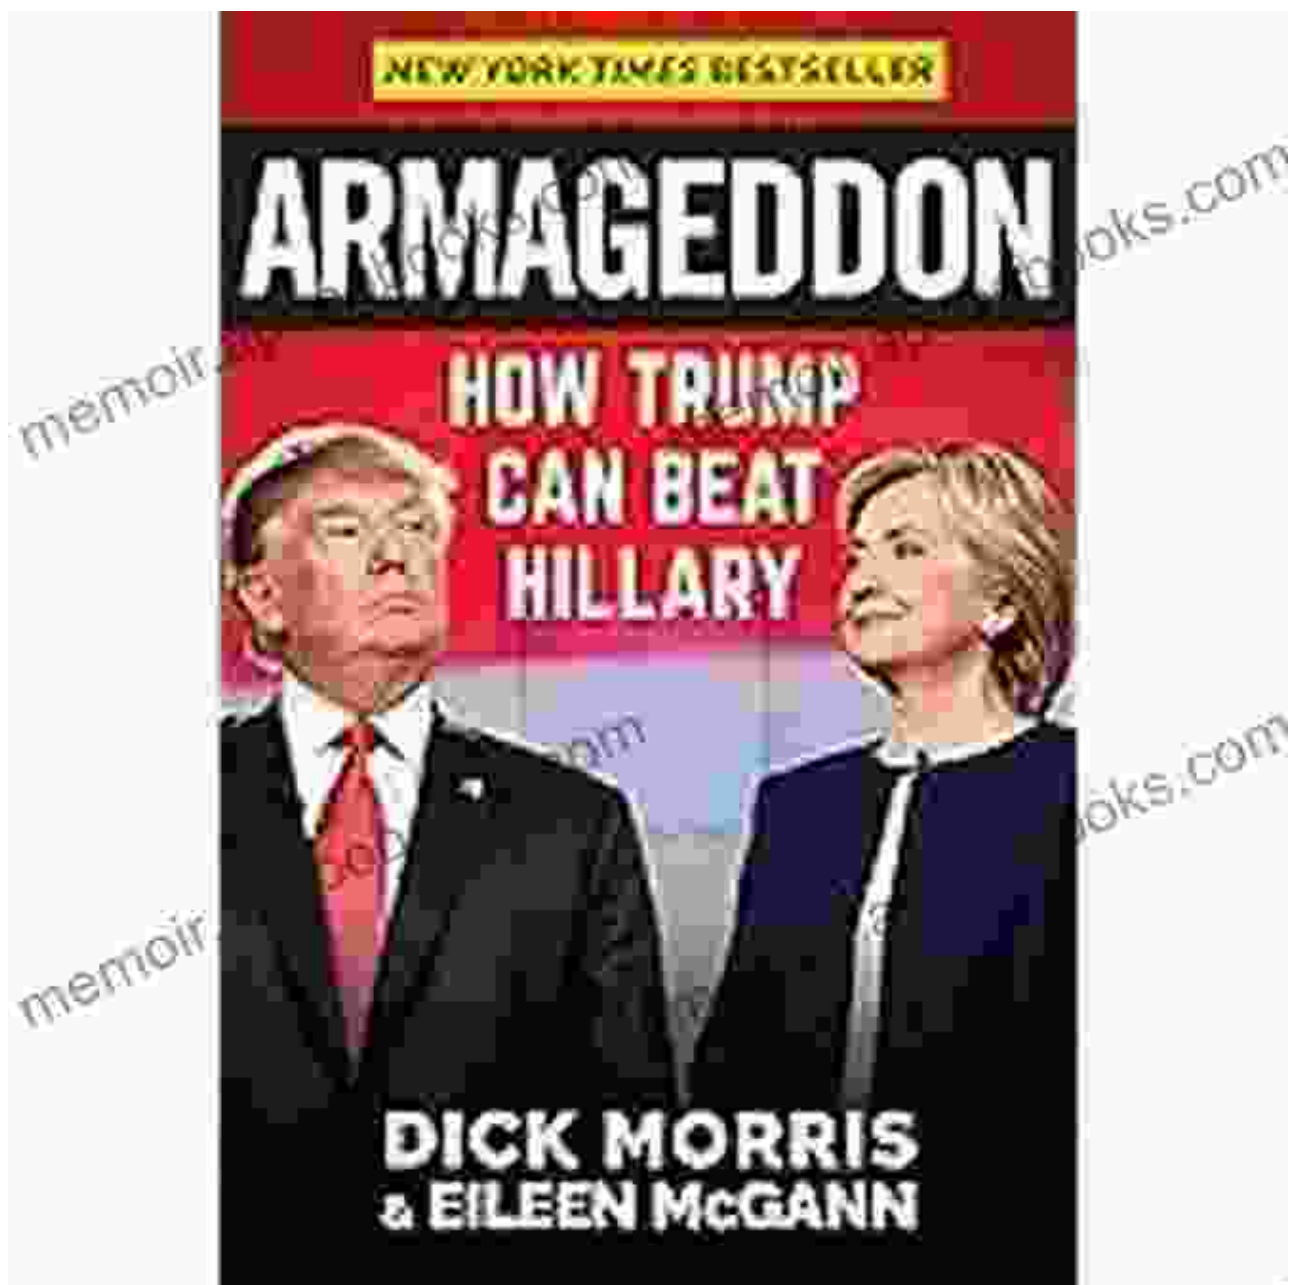

The Stakes of the Election

Limbaugh argues that the stakes of the 2016 election are incredibly high. If Clinton wins, he believes that she will implement a radical agenda that will damage America.

Trump, on the other hand, represents the last hope for America to preserve its freedoms and values.

Armageddon is a must-read for anyone who wants to understand the 2016 election and the future of America.
