

Indigenous Movements and Electoral Politics in Ecuador: Critical Currents

This book examines the complex and evolving relationship between indigenous movements and electoral politics in Ecuador. It explores the ways in which indigenous movements have used electoral politics to advance their goals, and the challenges and opportunities they have faced in doing so. The book also analyzes the impact of indigenous electoral participation on Ecuadorian politics and society.

Pachakutik: Indigenous Movements and Electoral Politics in Ecuador (Critical Currents in Latin American Perspective Series) by Marc Becker

Print length : 263 pages

The book is divided into three parts. The first part provides a historical overview of indigenous movements in Ecuador, and examines the ways in which they have engaged with electoral politics over time. The second part focuses on the contemporary period, and analyzes the different strategies that indigenous movements have adopted in order to participate in electoral politics. The third part assesses the impact of indigenous

electoral participation on Ecuadorian politics and society, and explores the challenges and opportunities that lie ahead.

The book is written by a team of leading scholars in the field of indigenous studies and electoral politics. It is a valuable resource for anyone interested in understanding the role of indigenous movements in contemporary Ecuadorian politics and society.
