The Pair Plus Number Type System

Sister Sarah's Pair Plus Number Type system is a unique and powerful way to choose lottery numbers. This system is based on years of research and experience, and it has helped countless people win big.

The Pair Plus Number Type system is simple to use. You simply need to follow these steps:

1. Choose a pair of numbers that you feel lucky with.
2. Add the two numbers together.
3. Subtract the smaller number from the larger number.
4. The result is your Pair Plus Number Type.

For example, if you choose the pair of numbers 7 and 11, your Pair Plus Number Type would be 4 ($7 + 11 = 18$, $18 - 7 = 4$).
