This book will help you to develop the essential skills and mindsets that you need to be an effective leader in today's challenging educational landscape. Written by a veteran school leader with over 25 years of experience, *Staying Grounded* provides practical advice and real-world examples that you can use to improve your leadership practice.

The 12 principles in this book are:

1. Be clear about your purpose and priorities.

2. Build strong relationships with your stakeholders.
3. Create a culture of trust and respect.
4. Communicate effectively.
5. Delegate effectively.
6. Be organized and efficient.
7. Be adaptable and flexible.
8. Be positive and optimistic.
9. Be resilient.
10. Be a lifelong learner.
11. Be grounded in your values.
12. Take care of yourself.

By following these principles, you can transform your leadership practice and create a more positive and productive school environment. *Staying Grounded* is an essential resource for all school leaders who want to be more effective in their roles.

What people are saying about *Staying Grounded*:

"*Staying Grounded* is a must-read for all school leaders. It provides practical advice and real-world examples that you can use to improve your leadership practice." - **Dr. Jim Collins, author of *Good to Great***
