When an electromagnetic pulse (EMP) wipes out all electronics, John's world is thrown into chaos. The power grid is down, the government is gone, and society is on the brink of collapse. In this new world, the strongest will survive, and John is determined to do whatever it takes to protect his family and friends.

John's journey is filled with danger and excitement. He must fight off raiders, scavenge for food and supplies, and find a way to rebuild his life in

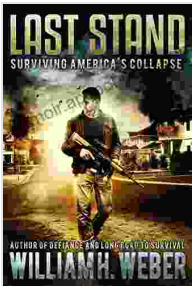

a world that has been turned upside down. Along the way, he'll meet new friends and enemies, and he'll learn what it truly means to survive.

If you're a fan of post-apocalyptic thrillers, then you'll love Surviving America's Collapse. This gripping novel will keep you on the edge of your seat from beginning to end.
