What's Inside?

The Musician's Essential Guide to Musical Theatre is divided into four parts:

1. **Auditioning:** This section covers everything you need to know about auditioning for musical theatre, from choosing the right material to preparing for the big day. You'll learn how to make a great first impression, how to sing and dance your best, and how to deal with nerves.
2. **Sight-Reading:** This section teaches you how to sight-read music quickly and accurately. You'll learn how to identify different rhythms and melodies, how to follow along with the conductor, and how to sight-read in different keys.
3. **Rehearsing:** This section covers everything you need to know about rehearsing for a musical theatre production. You'll learn how to work with the director, the choreographer, and the other musicians. You'll also learn how to prepare for a performance and how to troubleshoot any problems that may arise.
4. **Performing:** This section covers everything you need to know about performing in a musical theatre production. You'll learn how to project your voice, how to move around the stage, and how to connect with the audience. You'll also learn how to deal with stage fright and how to give a great performance.

Who is This Book For?
