

# The Saboteurs: Men At War - The Epic Story of the Special Operations Executive

By Ben Macintyre

In the dark days of World War II, when Britain stood alone against the Nazi onslaught, a secret organization was born. The Special Operations Executive (SOE) was tasked with fighting a clandestine war against the Axis powers, using sabotage, espionage, and guerrilla warfare.

The Saboteurs: Men At War is the epic story of the SOE and the men and women who risked their lives to fight for freedom. From its humble beginnings to its daring raids and sabotage missions, this book tells the story of how the SOE helped to turn the tide of the war.

Macintyre draws on a wealth of new research to tell the story of the SOE, including interviews with surviving veterans and access to previously classified documents. The result is a gripping and unforgettable account of one of the most extraordinary organizations in history.

## Praise for The Saboteurs

"A gripping and unforgettable account of one of the most extraordinary organizations in history." - The New York Times

"A masterpiece of military history." - The Washington Post

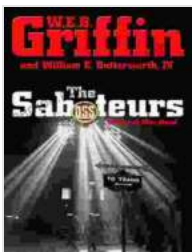

"A must-read for anyone interested in World War II or the history of espionage." - The Guardian
