A Novel by John Smith

In the heart of Roman Britain, in the year 12 AD, a Vestal Virgin vanishes without a trace. Libertus, a young Roman investigator, is called to solve the mystery.

Libertus is a brilliant investigator, but he is also an outsider. He is not a native of Britain, and he does not share the same beliefs as the people he is investigating. But he is determined to find the truth, no matter where it leads him.

As Libertus investigates the case, he uncovers a web of intrigue and deception. He learns that the Vestal Virgins are not as pure and innocent as they seem. And he discovers that there are powerful forces at work that are determined to keep the truth hidden.

Libertus must race against time to find the Vestal Virgin before it is too late. But as he gets closer to the truth, he realizes that he is putting his own life in danger.

The Vanishing Vestal is a thrilling historical mystery that will keep you guessing until the very end. It is a story of courage, betrayal, and the

search for truth.
