Through meticulous research and captivating storytelling, Thyra unveils a tapestry of hidden narratives, revealing the profound impact women have had on the course of human events. From the realms of science and art to the halls of power and beyond, these forgotten women shattered societal barriers and defied expectations.

Pioneering Scientists and Innovators

Meet Tapputi-Belatekallim, the world's first known female chemist, whose groundbreaking work in perfumery laid the foundation for modern cosmetic science. Trace the remarkable journey of Maria Mitchell, an astronomer who defied gender norms and made significant contributions to the field, including the discovery of a new comet.

Trailblazing Artists and Creatives

Delve into the extraordinary world of Artemisia Gentileschi, a Baroque painter who overcame adversity to become one of the most successful female artists of her time. Discover the captivating story of Mary Wollstonecraft, a pioneering feminist and writer whose works sparked revolutions in thought and society.

Leaders and Change-Makers

Uncover the inspiring tale of Nzinga of Ndongo and Matamba, an African queen who defied colonial powers and fought for her people's freedom. Journey into the life of Sojourner Truth, an abolitionist and women's rights activist whose powerful speeches ignited social change.

Their Stories, Our Inspiration

Thyra: Forgotten Women of History is not merely a collection of forgotten names. It is a celebration of the resilience, ingenuity, and strength of women throughout history. By bringing their stories to light, this book empowers us to recognize and appreciate the invaluable contributions women have made to our shared human narrative.
