Edited by leading scholars from around the world, this groundbreaking book offers a unique interdisciplinary perspective on the transformative power of leisure in the 21st century. Through a diverse range of case studies, theoretical frameworks, and empirical research, the authors explore the evolving nature of leisure experiences, the impact of

globalization on leisure patterns, and the emergence of new leisure forms and activities.

Key Themes and Highlights

- **Leisure in a Globalized World:** Examines the effects of globalization on leisure behaviors, consumption patterns, and cultural exchange.
- **Rethinking Leisure Methods:** Introduces innovative research methodologies and analytical tools for studying leisure in diverse contexts.
- **The Transformative Potential of Leisure:** Explores the role of leisure in promoting well-being, personal growth, and social cohesion.
- **Leisure and Sustainable Development:** Discusses the interconnections between leisure, environmental conservation, and sustainable tourism.
- **Interdisciplinary Perspectives on Leisure:** Draws on insights from sociology, psychology, economics, geography, and cultural studies to provide a holistic understanding of leisure.
