In the sweltering heat of a summer night, a young woman disappears without a trace. Her name is Sarah, and she is the daughter of wealthy businessman John Smith. John hires private investigator Jack Hartigan to find his daughter, and Jack soon finds himself drawn into a dark and dangerous world of secrets and lies.

Sarah's disappearance is just the tip of the iceberg. As Jack digs deeper, he uncovers a web of corruption and violence that reaches the highest levels of society. He soon realizes that Sarah's disappearance is part of a much larger conspiracy, and that he is in over his head.

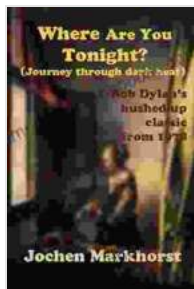

Jack is a tough and experienced investigator, but he is no match for the forces that are arrayed against him. He is outnumbered, outgunned, and outmaneuvered. But Jack is not the kind of man who gives up. He will stop at nothing to find Sarah, even if it means putting his own life on the line.

Where Are You Tonight? Journey Through Dark Heat is a gripping and atmospheric thriller that will keep you on the edge of your seat from beginning to end. It is a story of love, loss, and redemption, and it will stay with you long after you finish reading it.
