

Will Die In Foreign Land: A Journey to the Edge of the World

In 2014, David Grann set out on a journey to the edge of the world, to retrace the steps of Percy Fawcett, a legendary British explorer who disappeared in the Our Book Library rainforest in 1925. Grann's journey took him through some of the most remote and dangerous places on Earth, from the Bolivian Andes to the uncharted depths of the Our Book Library jungle.
